MATERIALS	Corduroy upholstery with stainless steel brushed brass-plated swivel base, solid wood & plywood frame	SKU	OOC-2100-VOGUE-OTT
DESCRIPTION			

Recline and unwind with our Vogue Ottoman. The sunken style has made a return and we're all about it. It may be shallow in its proportions, but it doesn't fall short on style. Inspired by Pierre Paulin's 70s design, we've reimagined the creation with the parallel contours of a corduroy.
